

The Xume Collection brings a new slant on a time-honoured wooden chair with the introduction of contemporary material, PET. Legs in solid oak, the Cooperative's preferred material, are combined with a smoothly-shaped seat in PET (recyclable and recycled material), thus bringing a remarkable touch of freshness to your surroundings. The chair is particularly comfortable. The Collection's elegant, understated lines enable it to be at home in a multitude of different settings.

CATEGORY:

Chair

ENVIRONMENT:

Indoor

APPLICATIONS:

- Office
- CHR
- Public

WEIGHT: 5,2 kg

MATERIALS:
